

How to access parent information

CHARMS

Shawnee Mission West Band

- Log on to www.charmsoffice.com

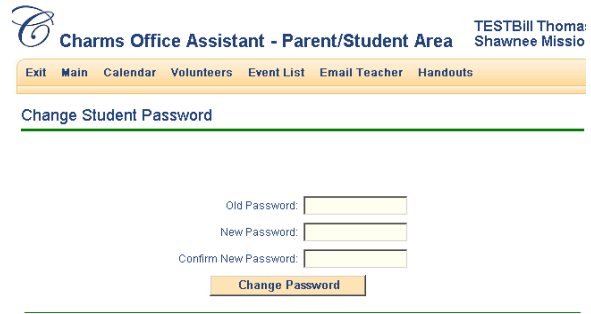

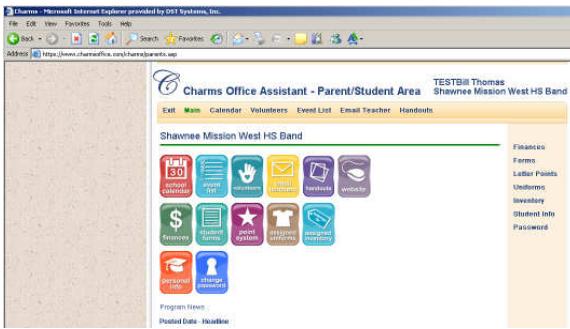

- Locate the “PARENT/STUDENT LOGIN” section of the web page.
- Log in to your child’s program account using the following login:

SMWESTBAND

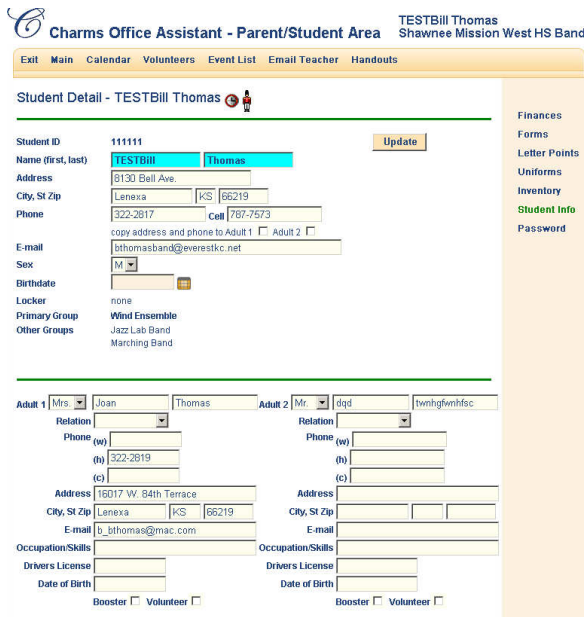

- This will bring up the main parent page. This will allow you to look at your child’s program’s **public calendar, event list, handouts and other files**.
- When you enter your child’s ID NUMBER, which is their student id number, another more detailed screen appears with even more options to view your student’s uniform assignments, music assignments, financial records, forms and inventory.

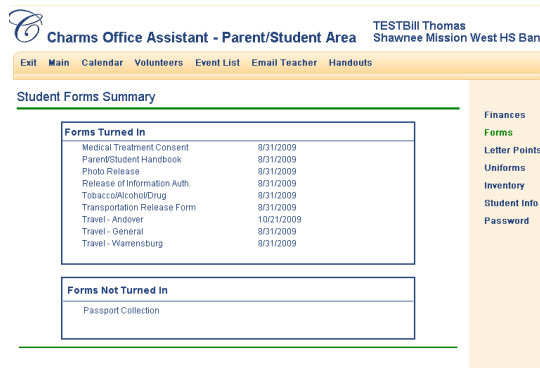

- Enter your child’s ID FIRST – then you may create your own, unique password by clicking on the “**Password**” link which is located on the right hand side menu. We recommend you keep it your student’s ID. If you change your child’s password and forget it, email the director or charms administrator and they can reset it for you.

- The area in which you can help the director maintain his/her records:
 - **Student information form** – you may help make changes to your child's **student information page** (such as updating phone numbers and email addresses if they change) to help the teacher communicate with you more effectively. This area also has adult contact information. To see this page, the main area, select personal information.

- Most importantly, the parent section of this page assists both you and the teacher to communicate with each other.
- To see if your student's forms have been turned in, select Forms from the right hand side menu.

- To find out what your student has earned, from the main area, select personal information, then on that page, select Finances from the right hand side menu. All Fees, Fundraisers, and Miscellaneous Ledger amounts will be listed here. This is a snapshot of your students account with Band Aides!
