

SHAWNEE MISSION WEST

HIGH SCHOOL

BAND PROGRAM

Bill Thomas- Director of Bands

The SHAWNEE MISSION WEST BAND program is hosting the Silent Auction and Spaghetti Dinner on October 29th, 2016 at Shawnee Mission High School. The Band program continually has needs and requirements throughout the school year that are well above normal budgeting. Supplemental funding provides students with the best opportunities to expand their musical experiences and achieve additional goals while attending Shawnee Mission West.

With this in mind, we invite your support by pledge of any kind of donation, whether it is in the form of cash, merchandise, or gift certificates, The merchandise and gift certificates will be used for our Silent Auction that will be held throughout the evening of the Spaghetti Dinner.

Each contributors name will be recognized. Your business name can be listed for all to see during the evening festivities and listed on our website as a Band sponsor. We invite you to include promotional materials that you would like displayed, with your donation.
