These dates are mandatory for each band. It is your responsibility to make your calendar work. You are making a commitment to your friends in band. You have been placed into this specific band to balance the sound – we need you on your assigned date! If you absolutely cannot make it, please talk to someone else in your section to serve as a substitute for you. ANY UNEXCUSED absence may result in removal from the pep band and the possibility of lettering points. Also, please be aware of the Tournament dates at the end of the list. If we take a pep band for any post-season play, seniority, and commitment of pep band members will be first priority. **Call time is 5:30 p.m. for Double Headers (G/B) and 6:00 for single game (G or B).**

You are ALWAYS welcome to play extra nights. Additional lettering points will be awarded.
