

Concert Band Attire (All Concert Bands)

It is our goal to achieve a uniform, and formal appearance for our concerts. The audience attention should be drawn to our ensembles, not to individuals. The attire for band concerts is to be FORMAL: revealing clothing, casual pants and flip-flops are not acceptable.

Black formal dress: Tux coats for men will be provided. They are property of SM West and will be kept in the uniform room. They are hung in numerical order with your name in a window of the bag. They must be placed back in order on the tux coat rack when the concert is completed. The following items are the student's responsibility to purchase.

◆ **Men** – Black dress pants, dress shoes and socks, black long-sleeve dress shirt.

◆ **Women** – All black: Long black dress or long black skirt with a black top, or black dress pants with a black top. Black dress shoes are also to be worn. Please avoid strapless tops, straps, and low necklines. If the dress has straps, a sweater or shrug must be worn. The dress should have sleeves. When you sit in a chair, the dress should cover your knees. All skirts and dresses should be mid-calf or longer (2"-4" *from the floor at most – see picture*).
